Please note that if you abstain from voting, you will not be counted in the calculation of the proportion of votes for or against a resolution**.**

A. ORDINARY BUSINESS

Resolution 8: Debt Programme

"That subject to receipt of any required regulatory approvals and pursuant to Article 95 of the Bank's Articles of Association, the Directors be and are hereby authorized to establish a Debt Issuance Programme (the "Programme") in an amount of up to ₦100,000,000,000 (One Hundred Billion Naira) or such foreign currency equivalent thereof as the Directors may consider appropriate, for the purpose of issuing debt securities (to include senior unsecured or secured, subordinated, convertible, preferred, equity linked or such other forms of debt obligations) in tranches of such amounts and at such dates, coupon or interest rates and upon such terms and conditions as may be determined by the Directors, subject to the grant of all required approvals from the relevant regulatory authorities."

Explanatory Note

Pursuant to Section 191 of the Companies and Allied Matters Act, 2020, as amended ('CAMA 2020') the Directors are empowered to establish a Debt Issuance Programme for the Bank, which will enable the Bank to issue various classes of debt instruments—including but not limited to senior unsecured or secured notes, subordinated instruments, convertible or preferred securities, equity-linked notes, or other forms of debt obligations—in series or tranches, as may be deemed appropriate by the Directors. Establishing the Programme will provide the Bank with the strategic flexibility to access capital in a timely and cost-efficient manner to support its operational and strategic objectives, meet regulatory capital requirements, and align the Bank with market practices adopted by institutions that routinely access the debt capital markets.

The Programme will be implemented subject to receipt of all required regulatory approvals, including those of the Securities and Exchange Commission, the Nigerian Exchange Limited (where applicable), Central Bank of Nigeria (CBN) and other relevant regulatory bodies. The Directors will determine the specific terms and conditions applicable to each issuance under the Programme—including the amount, tenor, coupon or interest rate, pricing, security (where applicable), and timing — taking into account market realities and the Bank's capital requirements at the relevant time**.**

We urge you to vote in support of the motion to approve the Debt Programme.

B. SPECIAL BUSINESS

This capital raise is a strategic initiative intended to refinance existing obligations and expand the Bank's current portfolio, thereby strengthening its financial resilience and positioning it for long-term growth within the evolving financial services landscape. Furthermore, the capital raise forms a key component of the Bank's broader corporate restructuring plan, aimed at enhancing capital adequacy, improving operational efficiency, and aligning the Bank's structure with applicable regulatory requirements. This will support the Bank's ability to meet minimum capital thresholds while ensuring continued compliance with industry regulations and sustaining business continuity.

We urge you to vote in support of the motion to raise capital for the Bank.

Resolution 9c &11c: Amendment of Memorandum of Association

"That as a consequence thereof, Clause 6 of the Memorandum of Association of the Bank shall be amended upon completion of each equity capital raise to reflect any new issued share capital as may be determined by the Directors in their absolute discretion."

The proposed amendments to the Memorandum and Articles of Association of the Bank are intended to better reflect the provisions of the Companies and Allied Matters Act No 3 of 2020 (as amended), the Business Facilitation (Miscellaneous Provisions) Act, 2022, the Rules and Regulations of the Securities and Exchange Commission, the Securities and Exchange Commission Corporate Governance Guidelines and the Nigerian Exchange Limited requirements for Memorandum and Articles of Association for listed companies and to also accommodate amendments that may be made to these laws, rules and regulations. Furthermore, the proposed amendments will introduce more flexibility in the management of the affairs of the Bank while maintaining transparency and good corporate governance practices; clarity and ease of decision-making; business continuity and avoidance of disruptions that may negatively impact on the smooth running of the Bank's operations.
