ELLAH LAKES PLC

FINANCIAL STATEMENTS FOR THE THIRD QUARTER ENDED 30TH SEPT., 2026

CERTIFICATION PURSUANT TO SECTION 88 (2) OF INVESTMENT AND SECURITIES ACT 2025

We the undersigned hereby certify the following with regards to our financial reports for the third quarter ended 30 Sept, 2026 that;

a. We have reviewed the report;
To the Best of our knowledge , the report does not contain:
i. Any untrue statement of a material fact, or
ii. Omit to state a material fact, which would make the statement misleading in the light of the circumstances under which such a statements were made:

b. To the best of our our knowledge , the Group financial statements and other financial information included in the report fairly present in all material respects the financial condition and result of operations of the company and of the Group for the period presented in the report.

c We:
i. Are responsible for establishing and maintaining internal controls;
ii. Have designed such internal controls to ensure that material information relating to the group is made known to officers by others within the entity, particularly during the period in which the periodic reports are being prepared;
iii Have evaluated the effectiveness of the Group's internal controls within 90 days prior to the report;
iv Have presented in the report their conclusions about the effectiveness of their internal controls based on their evaluation as of that date;

d We are not aware of and have disclosed as such to the Audit Committee:
i. All significant deficiencies in the design or operation of internal controls which would adversely affect the Group's ability to record, process, summarise and report financial data and have identified for the Company's audit committee any material weakness in internal controls, and
ii. Any fraud, whether material or not, that involves management or other employees who have significant role in the company's internal controls;

e
We have identified in the report whether or not there were significant changes in internal controls or other factors that could significantly affect internal controls subsequent to the date of their evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.
