R.T BRISCOE (NIGERIA) PLC

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 30 JUNE 2026

1 Reporting entity

R.T. Briscoe (Nigeria) PLC (the 'Company') is domiciled in Nigeria. The Company was incorporated in Nigeria as a limited liability company on 9 March 1957 and became a public limited liability company in 1973. The Company's registered office is at 18, Fatai Atere Way, Matori, Oshodi, Lagos State. This financial statements comprise the Company and its subsidiaries (collectively 'the Group' and individually 'Group companies'). The Group is primarily engaged in the sales and servicing of Toyota and Ford motor vehicles, technical equipment, including forklifts, industrial compressors, mining and drilling equipment and generating sets, facility management, property development and leasing of property.

2 Basis of preparation

(a) Statement of compliance

These consolidated financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) and in the manner required by the Companies and Allied Matters Act Cap C20, laws of the federation of Nigeria, 2004 and the Financial Reporting Council (FRC) of Nigeria Act, 2011. They were authorised for issue by the Board of Directors on 27th July 2026.

(b) Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for defined benefit liability measured at the present value of the defined benefit obligation, inventories measured at the lower of cost and net realisable value and property plant and equipment (land and building) measured at fair value as described in note 4 to the financial statements. Financial assets and liabilities are measured initially at fair value/less transaction cost and subsequently measured at amortised cost.

(c) Functional and presentation currency

These consolidated financial statements have been presented in Nigerian Naira, which is the Company's functional currency. All amounts have been rounded to the nearest thousands, except when otherwise indicated.

(d) Use of judgments and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Group's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively. In preparing these condensed interim financial statements, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation were the same as those that applied to the consolidated financial statements for the year ended 31st December 2025.

3 Significant accounting policies

The accounting policies adopted are consistent with those for the year ended 31 December 2025.

4 Securities Trading Policy

The Board has a Securities Trading Policy which is applicable to all employees, directors, audit committee members and connected employees of auditors, consultants and contractors of the company and its subsidiaries. The terms of the policy are no less exacting than the standard set in the Listing Rules of The Nigerian Stock Exchange. A copy of the policy is on the company's website.

5 Free Float

The free float of the company is in full compliance with the minimum free float requirements of the Nigerian Stock Exchange for the Main Board. The free float analysis of the issued and paid-up share capital of the company as at June 30, 2026 and July 27, 2026 when the consolidated financial statements for the half year ended 30th June 2026 were approved is as follows:

R.T BRISCOE (NIGERIA) PLC

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 30 JUNE 2026

6 Financial Risk Management

The group's activities expose it to a variety of financial risks: market risk (including currency risk, fair value interest rate risk, cash flow interest rate risk and price risk), credit risk and liquidity risk. The group's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the group's financial performance.

This interim financial statements do not include all financial risk management information and disclosures required in an annual financial statements; they should be read in conjunction with the company's annual financial statements as at 31 December 2025. There have been no changes in the risk management structure since year end or in any risk management policy.

7

a Basis of segmentation

The Group has the following strategic divisions, which are its reportable segments. These divisions offer different products and services, and are managed separately because they require different technology and marketing strategies.

The following summary describes the operations of each reportable segment

Reportable segments	Operations
Motor Vehicles	Sale of Toyota Vehicles
Industrial equipment	Sale and marketing of industrial equipment
Aftersales service	Servicing and maintenance of Toyota and Ford vehicles, Industrial and Material Handling Equipment
Property development	Facility Management, Development, sale and leasing of property.

The Group Chief Executive Officer (CEO) reviews the internal management reports of each division at least quarterly.
