Notes to the condensed financial statements

1. Statement of compliance

These condensed financial statements for the six months have been prepared in accordance with the recognition and measurement criteria of International Financial Reporting Standards (IFRS), the presentation as well as disclosure requirements of IAS 34 Interim Financial Reporting and the Company and Allied Matters Act as amended

1b. Securities Trading Policy

In compliance with Rule 17.15 Disclosure of Dealings in Issuers' Shares, Rulebook of The Exchange 2015 (Issuers' Rule), Industrial & Medical Gases Nigeria Plc maintains a Security Trading Policy (Policy) which guides Directors, Audit Committee members, employees and all individuals categorized as insiders in relation to their dealings in the Company's shares. The Policy undergoes periodic review by the Board and is updated accordingly. The Company has made specific inquiries of all its directors and other insiders and is not aware of any infringement of the Policy during the period.

2. Basis of preparation

The financial statements are prepared in thousands of Nigerian Naira on the historical cost basis

3. Accounting policies

The financial statements have been prepared applying the same accounting policies as used in the last audited financial statements for the year ended 31 December 2025

4. Unusual items

There were no unusual items within the period

5. Changes in estimates

There were no material changes in estimates made, between the last quarter interim report and the current report

6. Debt and equity transactions

A dividend in respect of the year ended 31 December 2025 of N.50k per share amounting to N365.532million was declared at the annual general meeting held on 19 June 2026.

7. Contingent liabilities

As at the date of publishing this report, there are no contingent liabilities against the company

8. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(b) Property, plant and equipment - Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

(c) Inventories - Inventories are measured at the lower of cost and net realisable value. The cost of inventories includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition.

(d) Employee Benefits - The Company has a defined contribution scheme for junior level employees, which is funded through fixed contributions made by the Company over the service life of the employees and charged accordingly as personnel expense in profit or loss. The company also has long service awards scheme instituted for all permanent employees.

(e) Revenue - Revenue is measured at the fair value of the consideration received or receivable, net of Value Added Tax, discounts allowed and rebates in the ordinary course of business.

(f) Operating profit - Operating profit is the result generated from the continuing principal revenue producing activities of the Company as well as other income and expenses related to operating activities. Operating profit excludes net finance costs and income taxes

(g) Finance income comprises interest income on funds invested and net gains on foreign exchange differences. Interest income is recognised in profit or loss as it accrues, using the effective interest method. Finance costs comprise unwinding of the discount on provisions and interest expenses on borrowings (except interest expenses that are directly attributable to the acquisition, construction or production of a qualifying asset which are capitalised as part of the related assets) and are recognised in profit or loss using the effective interest method

(h) Income tax - Income tax expense comprises current tax - company income tax and tertiary education tax, and deferred tax.
