Commenting on the results, Mr. Wassim Elhusseini, CEO/Managing Director of Nestlé Nigeria PLC, said: "Our performance in the first half of 2026 demonstrates continued progress in strengthening the fundamentals of our business. The delivery of a seventh consecutive quarter of profitability since our return to profit in Q4 2024, alongside 12% revenue growth and Profit After Tax of ₦64.8 billion, reflects the resilience of our brands, the discipline of our execution and the commitment of our people. We remain optimistic about the outlook and will continue to pursue sustainable, profitable growth with focus and prudence."

The company will maintain its focus on deepening consumer relevance through innovation and renovation, strengthening margin management, enhancing efficiency across its value chain and making targeted investments that support the long-term health of its brands and business. Nestlé Nigeria also reiterated its commitment to investing in its people, supporting the communities where it operates and remaining agile in responding to evolving macroeconomic and geopolitical conditions.

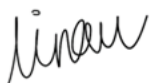

– End –
