Caverton Offshore Support Group Plc – Delay in filing of the Audited Financial Statements for the year ended December 31, 2025

This is to inform Nigerian Exchange Limited (NGX) and the investing public that Caverton Offshore Support Group Plc (COSG or the Company) has experienced further delay in filing its Audited Financial Statements for the year ended 31 December 2025 (2025 Audited Financial Statements).

The Company sincerely apologises for the delay which resulted from the combination of exceptional circumstances including:

- ❖ the resignation of the Company's Chief Financial Officer during the audit process, which disrupted internal review and sign-off procedures;
- ❖ administrative delays affecting the external auditors' regulatory clearance from the Financial Reporting Council of Nigeria (FRCN); and
- ❖ unforeseen technical issues with the Company's Enterprise Resource Planning (ERP) system, which temporarily affected data extraction and financial reconciliations.

While these factors contributed to the delay, the Company accepts full responsibility for failing to meet its regulatory filing obligations.

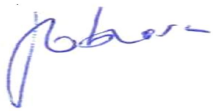

The audit is now at its concluding stage, and the Company undertakes to file its 2025 Audited Financial Statements with The Exchange on or before Friday, 10 July

2026.

To prevent a recurrence, the Board has accelerated the recruitment of a substantive Group Chief Financial Officer, strengthened the financial reporting and audit timetable, and enhanced early engagement with the external auditors on all regulatory preconditions.

Please note that the closed period which commenced on 1 January 2026 will continue until twenty-four (24) hours after the 2025 Audited Financial Statements and the outstanding Unaudited Financial Statements are released to the public.

Caverton Offshore Support Group Plc regrets any inconveniences this delay might cause its stakeholders.
