ASSUMPTIONS OF THE EARNING FORECAST

1

1. There will not be any significant change in the economic policies of the Federal Government.
2. The fiscal and monetary policies as regulated by the Central Bank of Nigeria would not be altered significantly.
3. Credit facilities to be operated by the company with its Creditors and Financial Institutions would not be called up abruptly
4. The relationship with the host community at Quarry and Mining sites shall be cordial
5. There would not be any industrial unrest as to affect the production and sales volume.
6. Prices of materials used in production shall be stable in the period under review.
7. There would not be any major technical fault that may warrant the plant being closed down for a long period.
