**2026 FOURTH QUARTER FINANCIAL REPORTS
CERTIFICATION UNDER SECTION 60(2) OF THE INVESTMENT
AND SECURITY ACT(ISA) 2007**

We hereby certify that :

- a) The Directors have reviewed the report;
- b) To the best of our knowledge , the report does not contain:
 - (i) Any untrue statement of a material fact, or
 - (ii) Omit to state a material fact, which would make the statement, misleading in the light of the circumstances under which such a statement was made;
- c) Based on our knowledge, the financial statements and other financial information included in the report fairly present in all material respects the financial condition and results of operations of the Company as of, and for the periods presented in the report.
- d) The Directors:
 - (i) Are responsible for establishing and maintaining internal controls.
 - (ii) Have designed such internal controls to ensure that material information relating to the Company and its consolidated subsidiaries are made known to our officers by order within those entities particularly during the period in which the periodic reports are being prepared;
 - (iii) Have evaluated the effectiveness of the Company's internal controls as of date within 90 days prior to the report;
 - (iv) Have presented in the report our conclusions about the effectiveness of the internal controls based on our evaluation as of that date;
- e) The Directors have at the given opportunity to the Auditors of the Company and Audit Committee:
 - (i) All significant deficiencies in the design of operation of internal controls which would adversely affect the Company's ability to record, process, summarize and report financial data and have identified for the Company's Auditors any material weakness in internal controls, and
 - (ii) Any fraud, whether or not material, that involves management or other employees who have significant role in the Company's internal controls;
- f) The Directors have identified in the report whether or not there were significant changes in internal controls or other factors that could significantly affect internal controls subsequent to the date of evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.
