FRC/CG/001: TEMPLATE FOR REPORTING COMPLIANCE WITH THE NIGERIAN CODE OF CORPORATE GOVERNANCE 2018

Section A: Introduction

Corporate Governance is a key driver of corporate accountability and business prosperity. The Nigerian Code of Corporate Governance, 2018 (NCCG 2018) seeks to institutionalize corporate governance best practices in Nigerian companies. It is also aimed at increasing entities' levels of transparency, trust and integrity, and create an environment for sustainable business operations.

The Code adopts a principle-based approach in specifying minimum standards of practice that companies should adopt. Where so required, companies are required to adopt the "Apply and Explain" approach in reporting on compliance with the Code. The 'Apply and Explain' approach assumes application of all principles and requires entities to explain how the principles are applied. This requires companies to demonstrate how the specific activities they have undertaken best achieve the outcomes intended by the corporate governance principles specified in the Code.

This will help to prevent a 'box ticking' exercise as companies deliberately consider how they have (or have not) achieved the intended outcomes. Although, the Code recommends practices to enable companies apply the principles, it recognises that these practices can be tailored to meet industry or company needs. The Code is thus scalable to suit the type, size and growth phase of each company while still achieving the outcomes envisaged by the principles.

This form seeks to assess the company's level of compliance with the principles in the NCCG 2018. Entities should explain how these principles have been applied, specify areas of deviation from the principles and give reasons for these deviations and any alternative practice(s) adopted.

Please read the instructions below carefully before completing this form:

- i. Every line item and indicator must be completed.
- ii. Respond to each question with "Yes" where you have applied the principle, and "No" where you are yet to apply the principle.
- iii. An explanation on how you are applying the principle, or otherwise should be included as part of your response.
- iv. Not Applicable (N/A) is not a valid response.

CLAWBACK POLICY

OF

NPF MICROFINANCE BANK PLC

CLAWBACK POLICY OF NPF MICROFINANCE BANK PLC

OBJECTIVE

The Board of Directors of NPF Microfinance Bank Plc (“NPF MFB”) has adopted this policy in line with the provisions of Section 16.9 of the Nigerian Code of Corporate Governance, 2018 (NCCG) in order to maintain a culture of focused, diligent and responsible management which discourages conduct detrimental to the growth of NPF MFB and to ensure that incentive-based compensation paid by the Company to Executive Directors and Key Management Staff is based upon accurate financial data.

COVERAGE

This Policy applies to all Executive Directors and other Key Management Staff (KMS) of NPF MFB. The Key Management Staff whose incentive-based compensation is covered by this policy includes: Departmental Heads, Regional Heads and Branch Managers.

This Policy continues to apply to any Employee designated as a Key Management Staff in any financial year, until the date he or she ceases to be an Employee of NPF MFB.

ADMINISTRATION

The Policy will be administered by the Board Governance, Nomination and Remuneration Committee (“the Committee”) unless the Board of Directors determines to administer the Policy itself. Any decision made by the Committee shall be taken by a vote of the majority of its members present at the meeting where decision on the implementation of the Policy is to be taken.

DEFINITIONS

The following defined terms are used in this Policy:

Incentive-Based Compensation- This include any compensation, including cash and equity, which is granted, earned or vested based wholly or in part upon the attainment of any financial reporting measure and it is considered received in the financial year in which the applicable financial result is attained, regardless of the actual payment date.

Accounting Restatement- This is the process of revising previously issued audited Financial Statements to correct one or more errors that are material to those Financial Statements.

Financial Reporting Measures: These are the requirements that are determined and presented in accordance with the accounting principles used in preparing NPF MFB’s

Financial Statements and any measures derived wholly or in part from such financial information.

PROCEDURE

Following the effective date of this Policy, if NPF MFB is required to prepare an accounting restatement due to material non-compliance with any financial reporting requirements under Nigerian laws/regulations, the Committee in its sole discretion shall seek to recover any Incentive-Based Compensation paid, granted or awarded to or received or earned by or vested in favour of any current or former Executive Director or Key Management Staff, if all of the following occur:

- a. All or a portion of NPF MFB audited Financial Statements are materially restated for any period during the preceding three (3) financial years or the financial year in which the restatement occurs.
- b. The amount of Incentive-Based Compensation paid or payable to the Executive Director/Key Management Staff would have been less if the original audited Financial Statements were correct at the time the amount of Incentive-Based Compensation was first determined.
- c. The Incentive-Based Compensation became payable to the Executive Director/Key Management Staff in connection with the achievement of any financial performance measures for the preceding three (3) financial years or the financial year in which the restatement occurs.
- d. The Board has determined that the Executive Director or Key Management Staff has willfully committed an act of fraud, dishonesty or recklessness in the performance of his or her duties which contributed to the non-compliance that resulted in NPF MFB having to prepare an accounting restatement.

SOURCES OF RECOVERY

Any recovery under this Policy may be from direct reimbursement from the Executive Director or Key Management Staff or deduction from Salary or future payments and awards of Incentive-Based Compensation.

TIME PERIOD COVERED BY POLICY

This Policy applies to any Incentive-Based Compensation paid, granted, awarded, received or earned by any former or current Executive Director or Key Management Staff in the current period and the last three (3) preceding financial years.

PROCESS OF RECOVERY

Before the Committee decides to seek recovery pursuant to this Policy, it shall provide the Executive Director or Key Management Staff the opportunity to be heard at the meeting of the Committee where the decision is to be taken.

If the Committee determines to seek recovery of excess compensation pursuant to this Policy, it shall inform the designated Executive Director or Key Management Staff in writing of the decision of the Committee and require that the designated Executive Director or Key Management Staff repay the excess compensation to NPF MFB within a specified time.

If the designated Executive or Key Management Staff does not within such specified time repay the excess compensation to NPF MFB, and the Committee determines that the designated Executive Director or Key Management Staff is unlikely to repay NPF MFB, the Committee may recommend to the Board that legal proceedings be instituted against the designated Executive Director or Key Management Staff for such repayment if it deems it in the interests of NPF MFB to do so.

NO ADDITIONAL PAYMENTS

In no event shall NPF MFB be required to award Executive Directors or Key Management Staff an additional payment if the restated or accurate financial results would have resulted in a higher incentive compensation payment.

EFFECTIVE DATE

This Policy shall be effective from the date of its approval by the Board of Directors.

AMENDMENT

The Board Governance, Nomination and Remuneration Committee may amend this Policy at any time and from time to time in its sole discretion subject to the approval of the Board of Directors.

Approved by the Board of Directors this 47th day of JUNE 2020

Chairman, Board of Directors
