DELAY IN FILING OF AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2025

Caverton Offshore Support Group Plc (the “Company”) hereby notifies its shareholders, the investing public, and other stakeholders that it was unable to file its Audited Financial Statements for the year ended 31 December 2025 (2025 AFS) on or before the regulatory due date of 31 March 2026, as required by applicable rules of the Nigerian Exchange Limited (NGX).

The delay in filing the 2025 AFS arises from the fact that the audit of the Company’s financial statements is still ongoing. The Company is working closely with its external auditors to conclude the audit process. However, as at the date of this notice, the audit has not been finalised due to the need to complete certain outstanding review procedures and obtain final audit clearances to ensure the accuracy, completeness, and integrity of the financial statements.

While significant progress has been made, the audit process has not reached completion, and as such, the Company is currently unable to confirm a definitive timeline for the finalisation and filing of the AFS. The Company considers it prudent not to provide an anticipated filing date at this time in order to avoid providing information that may subsequently require revision.

The Company assures its shareholders and the market that it remains fully committed to maintaining the highest standards of financial reporting,

transparency, and regulatory compliance. The 2025 Audited Financial Statements will be filed promptly upon completion of the audit process.

This Press Release is available on the Company's website at: www.caverton-offshore.com

The Company regrets any inconvenience this delay may cause its stakeholders and appreciates their continued understanding and support.
