MTN NIGERIA COMMUNICATIONS PLC ANNOUNCEMENT RELATING TO AIRTIME AND DATA CREDIT ADVANCE SERVICE ("XTRATIME")

MTN Nigeria Communications PLC (MTN Nigeria or the Company) hereby notifies the Nigerian Exchange Limited and the investing public that the Company has temporarily suspended its airtime and data credit advance service ("Xtratime"). This relates to the implementation of processes under the Digital, Electronic, Online or Non-Traditional Consumer Lending Regulations, 2025, which introduced a new compliance and licensing framework for entities providing digital or non-traditional consumer credit services.

In the interim, customers continue to have access to alternative digital channels for airtime and data purchases.

Given the scale within the revenue mix, we do not expect the temporary suspension to have a material impact. We are closely monitoring customer behaviour and usage trends and will provide an update on any quantified impact in our Q1 2026 results.

Uto Ukpanah FCIS
Company Secretary

About MTN Nigeria

MTN Nigeria is one of Africa's largest providers of communications services, connecting over 87 million people in communities across the country with each other and the world. Guided by a belief that everybody deserves the benefits of a modern connected life, MTN Nigeria's leadership position in coverage, capacity, and innovation has remained constant since its launch in 2001. MTN Nigeria is part of the MTN Group - a multinational telecommunications group which operates in 16 countries in Africa and the Middle East, serving over 300 million people.
