CHAMS HOLDCO PLC

Unaudited Financial Statement
for the year ended 31 March, 2026

1 General Information

Chams Plc (The Company) was incorporated as a limited liability Company on 10 September 1985 and became a public Company on 4 September 2008. The Company was listed on the floor of the Nigerian Stock Exchange on 8 September 2008. The principal activities of Chams Plc and its subsidiaries (The Group) include identity management, payment collections and transactional systems. The Company's registered office is located at 8, Louis Solomon Close, Victoria Island, Lagos.

2 Basis of Preparation

These unaudited interim financial statements for the Three months ended March 31, 2026 have been prepared in accordance with IAS 34. 'Interim financial reporting'. The interim financial statements should be read in conjunction with the annual financial statements for the year ended 31 December 2025, which have been in accordance with IFRS.

3 Significant accounting policies

The accounting policies adopted are consistent with those of the previous financial year

4 Estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing these condensed interim financial statements, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31 December 2025

5 Revenue recognition

Revenue is recognised when it is probable that the economic benefits associated with the transaction will flow to the enterprise and the amount of the revenue can be measured reliably. Revenue is the fair value of the consideration received net of taxes and discounts. Revenue from sales of goods is recognised when delivery has taken place and transfer of risks and reward of ownership has been completed. Revenue from service rendered is recognised immediately the service is completed and a service delivery form is issued. When services are provided in phases, revenue is recognised on completion of each phase of the project.

6 Property, plant and equipment

Items of property. Plant and equipment are initially recognised at cost. As well as the purchase price, cost includes directly attributable costs and the estimated present value of any future unavoidable costs of dismantling and removing items. The corresponding liability is recognised within provisions.

7 Cash and Cash equivalent

Cash and Cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less. For the purpose of the statement of Cashflows bank overdrafts are shown within loans and borrowings in current liabilities on the consolidated statement of financial position.
