Commenting on the results, Mr. Wassim Elhusseini, CEO/Managing Director of Nestlé Nigeria PLC, said: “Our Q1 2026 performance marks the sixth consecutive quarter of profitability since our return to profit in Q4 2024. The double-digit revenue growth of 11% and profit after tax of ₦38.9 billion reflect the discipline and focus behind our execution and the strength of our operating performance supported by the stability of Naira against the Dollar.”

Looking ahead, he added: “We will continue to accelerate innovation and renovation to stay ahead of evolving consumer needs, strengthen margin management, cost and operational efficiencies across our value chain to fund growth. We will also continue to invest in community programmes that create shared and sustainable value for all stakeholders.”

“We will leverage targeted marketing investments to deepen brand relevance, win market share, and strengthen our competitive position while remaining alert to macroeconomic and geopolitical dynamics.”
