July 07, 2026

To Qualifying Shareholders of Beta Glass PLC

Dear Sir/Madam

TAKE-OVER OFFER BY EMERALD HOLDCO B.V FOR UP TO 11,741,509 ISSUED AND FULLY PAID-UP ORDINARY SHARES IN BETA GLASS PLC

5.1 BACKGROUND TO THE TAKE-OVER OFFER

Emerald HoldCo B.V. ("Emerald HoldCo" or the "Acquirer") recently completed the acquisition of 100% of the shares of Emerald Nigeria Intermediate Holdings B.V. (formerly Frigoinvest Nigeria Holding B.V) who owns 76.03% of Packaging Industries Nigeria Limited (formerly Frigoglass Industries (Nigeria) Limited) from the Frigoglass Group (the "Acquisition"). As part of this transaction, the Acquirer has assumed indirect ownership of 331,260,999 ordinary shares in the Company, previously held by the Frigoglass Group – which represent approximately 55.22% of the issued share capital of the Company

In accordance with the Nigerian Takeover Rules, Emerald HoldCo is required to make a Take-over Offer to all other shareholders of Beta Glass. Under Part XII of the ISA, the Acquirer is permitted to make an offer for all or a portion of the shares held by the other shareholders of the Company.

Following this requirement, Emerald HoldCo sought and obtained approval from its board and shareholders to launch a Take-over Offer to all Qualifying Shareholders for the acquisition of up to 11,741,509 ordinary shares (the "Offer Shares"), representing 1.96% of the total issued and fully paid-up share capital of Beta Glass. The board and shareholders granted this approval on February 5, 2026 and March 3, 2026 respectively. Copies of the written board and shareholder resolutions authorising the Take-over Offer are included on pages 21 to 23 of this Offer Document.

Emerald HoldCo now intends to acquire up to 11,741,509 Ordinary Shares, representing 1.96% of the issued and fully paid-up share capital of Beta Glass. The Mandatory Take-over Offer, the terms of which are detailed below, has been duly authorised and registered by the Securities and Exchange Commission (SEC).

Qualifying Shareholders are advised to carefully review paragraph 5.11 on pages 13 - 14 of this Offer Document, which sets out the procedures for accepting the Offer. Special attention should also be paid to the conditions and further terms contained in Appendix I of this Document and in the Acceptance Form.

5.2 THE TAKE-OVER OFFER

Emerald HoldCo indirectly holds 331,260,999 ordinary shares representing a 55.21% equity stake in Beta Glass as at 15 June 2026. Emerald HoldCo hereby offers to purchase, subject to the terms and conditions described herein, all or part of such Qualifying Shareholder's registered holding of Ordinary Shares (as registered to such Qualifying Shareholder in the Register of Members on the Qualification Date), subject to the following:

- a) Under the Offer, Emerald HoldCo shall acquire Offer Shares of up to 11,741,509 at the Offer Price of ₦590.94 per share (free of all commissions) in cash from Qualifying Shareholders so that its aggregate interest in Beta Glass would be up to 1.96% of the issued and paid-up capital of Beta Glass; and
- b) Notwithstanding the above, if the total number of Offer Shares comprised in acceptances or deemed acceptances from Qualifying Shareholders exceeds 11,741,509, then acceptances shall be scaled back so that Emerald HoldCo shall only be obliged to purchase a pro-rated quantity of Offer Shares from each such Qualifying Shareholder, being a number equal to:

5. Take-Over Offer by Emerald Holdco B.V. to the Qualifying Shareholders of Beta Glass Plc

$$\begin{array}{l} \text{The total number of Offer Shares comprised in} \\ \text{acceptances or deemed acceptances from that} \\ \text{Qualifying Shareholder} \end{array} \times \frac{11,741,509}{\begin{array}{l} \text{The total number of Offer Shares} \\ \text{comprised in acceptances or deemed} \\ \text{acceptances from all Qualifying} \\ \text{Shareholders} \end{array}}$$

In the event that this calculation results in a fractional number of shares to be acquired from a Qualifying Shareholder, such number would be rounded down to the nearest whole number.

The Offer is intended to enable all Qualifying Shareholders to participate, should they choose to do so. Qualifying Shareholders who accept the Offer will not be obligated to pay brokerage fees or commissions or any transfer fees or charges on their acceptance of the Take-over Offer to the Offeror or the Registrar. However, Qualifying Shareholders are cautioned to consult with their own brokers or other intermediaries to determine whether any fees or commissions are payable to their brokers or other intermediaries in connection with a deposit of Beta Glass shares pursuant to the Offer.

The Offer Shares will be acquired pursuant to the Take-over Offer free from all liens, equitable charges, encumbrances, rights of pre-emption and other third party rights of any nature whatsoever and together with all the rights now or hereafter attaching thereto, including, without limitation, voting rights and the right to receive and retain all dividends, distributions (if any) declared and any adjustment shares issued as a consequence of any corporate action made or paid after the Offer Closing Time.

The Take-over Offer will be open for acceptance from the Offer Opening Time, being 8:00 a.m. on 7th July 2026 until the Offer Closing Time, being 5:00 p.m. on 4th August 2026.

5.3 CONSIDERATION AND PAYMENT FOR OFFER SHARES

Emerald HoldCo will pay a cash consideration of ~~N~~590.94 per share to all Qualifying Shareholders who accept the Take-over Offer and validly tender their shares. The Offer provides Qualifying Shareholders who wish to dispose of their holdings with an opportunity to receive cash consideration of ~~N~~590.94 per share.

The total consideration payable under the Offer will be funded through a combination of internal funds and/or existing cash resources available to Emerald HoldCo. Emerald HoldCo has confirmed that it possesses sufficient liquidity to fully fund the Offer.

Based on the total number of Offer Shares eligible under the Take-over Offer, Emerald HoldCo estimates that the maximum cash consideration payable will amount to ~~N~~6,938,527,500 (Six billion, nine hundred and thirty-eight million, five hundred and twenty-seven thousand, five hundred naira only) if all such shares are acquired.

5.4 ACCEPTANCE CONDITIONS

Emerald HoldCo shall not be obliged to take up, purchase or pay for, any Offer Shares tendered by a Qualifying Shareholder under the Take-over Offer (such shares being the "Relevant Offer Shares") unless all of the following conditions are satisfied or waived by Emerald HoldCo at or prior to the Offer Closing Time:

5.10 OVERSUBSCRIPTION OF THE TAKE-OVER OFFER AND SCALING BACK

Following the Offer Closing Time, if the total number of Offer Shares comprised in acceptances or deemed acceptances from Qualifying Shareholders exceeds 11,741,509, then acceptances shall be scaled back so that Emerald HoldCo shall only be obliged to purchase a pro-rated quantity of Offer Shares at the Offer Price from each such Qualifying Shareholder being a number equal to:

$$\begin{array}{l} \text{The total number of Offer Shares comprised in} \\ \text{acceptances or deemed acceptances from that} \\ \text{Qualifying Shareholder} \end{array} \times \frac{11,741,509}{\begin{array}{l} \text{The total number of Offer Shares} \\ \text{comprised in acceptances or deemed} \\ \text{acceptances from all Qualifying} \\ \text{Shareholders} \end{array}}$$

Any excess Offer Shares will be returned by the Registrars to Qualifying Shareholders on a pro-rata basis to the number of Offer Shares deposited under the Take-over Offer. In the event that the pro-rata calculation results in a fractional number of shares to be acquired from a Qualifying Shareholder, such number of shares would be rounded down to the nearest whole number.
